 - c. For overnight deposits in domestic currency held by banks at the Central Bank, the effective interest rate remained at **1,9 percent.**
 - d. For foreign exchange temporary purchase operations (swap operations), the commission which implies an effective annual cost of **3,0 percent** is maintained.

 - a. The effective annual rate for monetary regulation credits will be **2,75 percent..**
 - b. For overnight deposits held by banks at the Central Bank, the rate is equivalent to the average obtained by the Central Bank for similar deposits abroad.
